

## More of your thoughts...

### Put the Relationship First

- whether with your horse, partner, family, co-workers, customers, vendors, or business partners
- use open, honest & respectful language (non-violent communication)

### Be the Best Me That I Can Be

- pursue a positive perspective
- be impeccable with your word
- be solutionary
- don't take things personally

### Get it Done, with a Little Fun - proposed change

(Create Fun with Individuality)

- celebrate individuality – you are free to be yourself
- have fun activities outside of work without horses sometimes

### Exceed Expectations 'WOW' Service

- whether you are an instructor or in Parelli Support, aim to deliver more than the student or customer expects, everyone is a customer

### Embrace Never Ending Self-Improvement

- for us individually, as a team and a family
- nurture learning & change
- embrace imagination & creativity
- create support & promote opportunities for personal & professional growth

### Do More With Less

- how can we be more efficient & effective
- work smarter not harder
- how can we best utilize the resources we have

### Be Humble

- service above self
- be an 'active parent' and put your family's needs before that of yourselves
- be inclusive not exclusive (not autocratic)
- values before our egos
- being authentic about helping the world from the 'spirit' of humility

### Truth, Transparency & Trust - proposed addition

- honesty
- zero gossip

### Keep it Natural - proposed addition

- it's a lifestyle choice
